What your Police Chief
Wants from Crime Analysis

What your Police Chief Wants from Crime Analysis

What does your chief of police want and need from crime analysis? Do the products you create help your chief to do his or her job? How can you better meet the needs of your chief? During this one-hour live webinar, we speak with police chiefs about their job, what they need from crime analysis, and how good crime analysis has helped them with their mission. Registered students will have the ability to submit questions for our chiefs to answer. This webinar will also be recorded for playback on demand if you unable to make the live session.

Learn:

- What a police chief needs from crime analysis
- Which crime analysis products that are the most helpful for command staff
- How crime analysts can get additional resources such as tools, training, and personnel
- And more!
